- (b) *In case Respondent is a Third Party, any one or more of the following may be recommended –*
 - Direct the Company to take adequate action to ensure that the Respondent does not enter the Workplace or contact the Complainant and/or witnesses.

- With consent of the Complainant, report the Respondent to law enforcement authority, if required.

2.3.7 Inquiry Report – Inclusion of Suggested Actionable

On completion of the inquiry, the Complaints Committee will provide a written report of its findings and recommendations to the Company within 10 (ten) days of the date of completion of the inquiry. Such report will also be made available to the Complainant and the Respondent.

The inquiry report will provide (i) details of the allegations made by the Complainant against the Respondent, and (ii) copies of the statements made by, and the evidence presented by, the Complainant and Respondent and/or their respective witnesses, and (iii) Complaints Committee's findings along with a statement giving reasons for recommendations and the findings arrived at by the Committee.

(a) In case allegations against Respondent have not been proven –

If the Complaints Committee concludes that allegations against the Respondent have not been proven with substantive evidence, it will recommend that the Company take no action against the Respondent and close the matter.

(b) In case allegations against Respondent have been proven –

Where the Complaints Committee determines that Sexual Harassment has taken place, to whatever extent, immediate corrective and preventive measures will be recommended. Where Respondent is an Employee, any one or more of the following may be recommend:

- Written apology from the Respondent.
- Issue letter of warning to the Respondent (which will also be appended to the Employee's HR record).
- Reprimand the Respondent.
- Withhold promotion or demote the Respondent.
- Withhold salary increment of the Respondent.
- Immediate transfer or suspension of the Respondent without pay.
- Employment termination of the Respondent.
- Compulsory counselling of the Respondent.
- Compulsory community service.
- Deduction from salary or wages of the Respondent such sum as it may consider appropriate to be paid to the Complainant or to their legal heirs. In case, the Company is unable to make deductions from salary of the Respondent due to them being absent from duty or cessation of employment, it

may direct the Respondent to pay such sum to the Complainant. In case the Respondent fails to pay the sum, the Complaints Committee may forward the order for recovery of the sum as an arrear of land revenue to the concerned District Officer.

Complaints Committee may consider various factors as required under Law for the purpose of determining the sums to be paid to the Complainant and may take the following into consideration:

- the mental trauma, pain, suffering, and emotional distress caused to the Complainant.
- the loss in the career opportunity due to the incident of sexual harassment.
- medical expenses incurred by the victim for physical or psychiatric treatment.
- the income and financial status of the Respondent.
- feasibility of such payment in lump sum or in instalments.

Where the Respondent is a Third Party, Complaints Committee may recommend any one or more of the following:

- Warning to employing organization/association/firm (if any).
- Declaring the Workplace out of bounds to the Respondent.
- Withdrawal of the right to provide services to the Company for a certain period (if applicable).
- Helping the Complainant to file a First Information Report with law enforcement authority, should they desire.

If any person is aggrieved from the recommendations made by the Complaints Committee or in the event of non-implementation of such recommendations, they may appeal to the appropriate authority, as specified by Law, within a period of 90 (ninety) days from the recommendations.

2.4 Other Considerations

2.4.1 Complaints Filed in Bad Faith

If on inquiry, it is revealed that the complaint was made with a malicious intent and with the motive of maligning the Respondent/tarnishing their image or otherwise and/or to settle personal/professional scores, strict action will be recommended by Complaints Committee against the Complainant. Hence, in case Complaints Committee arrives at a conclusion that allegation against the Respondent is malicious or Complainant has made the complaint knowing it to be false or has produced a forged or misleading document, POSH Committee may recommend to the Company to take an action against the Complainant as specified above and as applicable.

A mere inability to substantiate a complaint or provide adequate proof need not attract action against the Complainant as the malicious intent on the part of the Complainant will have to be established through the inquiry process before an action against such Complainant is recommended.

2.4.2 Confidentiality

Matters pertaining to an incident of Sexual Harassment will be kept confidential. Specifically, content of the complaint, identity and address of the Complainant, Respondent and witnesses (if any), any information relating to conciliation and inquiry proceedings, inquiry report including recommendations of the Complaints Committee, and action taken, will not be published, communicated or made known to the public, press, or media in any manner. However, information may be disseminated regarding the justice secured to any victim without disclosing the name, address, identity, or any other particulars which may lead to the identification of the Complainant and witnesses (if any). Appropriate information will be shared as per Law.

If any person (including the Complainant and/or any witness) discloses confidential information, the Company will recover a sum of INR 5,000/- (Rupees Five Thousand) as penalty from such person and may take any other action as it may deem fit.

2.4.3 Protection against Retaliation

Company will ensure that retaliation is not faced by anyone who, in good faith, files a complaint or participates, in any way, in the inquiry of a complaint. Individuals found to be engaging in retaliatory conduct will be subject to strict disciplinary action and if necessary, legal action, which may include filing

of complaint with law enforcement authority. If an Employee suspects that someone they know has been retaliated against for raising an issue, they are encouraged to immediately contact the Compliance Committee.

2.4.4 Filing of Complaint with Law Enforcement Authority

This Policy does not preclude anybody from simultaneously lodging a complaint with law enforcement authority in respect of any act amounting to an offence under the Law. If any assistance is sought, the Company will provide the same.

3 Report breaches against policy

Sinch India Employees shall report suspected or actual breaches of this Policy. A report can be made to:
